

One Week of Sacrifice for SOULS

September 16 – 22, 2024

- I am calling on every winner to make this week – a week of **'Sacrifice of souls'**
- In the testimony of the widow of Zarephath during the days of famine in Isreal, we saw how God sent Elijah for his supernatural exemption from the horror of the famine by passing just one test.
- Here was a widow gathering some sticks to make a little cake for her and her son to eat and die and there came along this 'wicked' prophet by the name Elijah saying 'Make for me first' — *1Kgs.17:10-16*
- Every prophetic instruction is a test, they may appear first as infringing on your rights, but it is to turn things around — *2Kgs. 4:1-10*
- Passing one test saw this widow and her house feeding for free from supernatural supplies all through the 3 and-a-half years of famine, passing that test was her bailout from the horror of famine.
- Today, God is saying to every Winner, 'I know you may have some concerns, things may not be looking up in one area of your life or another – but I am saying, **make for me first, obey my instruction first**, and it will turn things around supernaturally in your favour'
- God is asking 'Do you really love me?' if your answer is yes, then **'make this one week a week of sacrifice for souls** by targeting at least one soul for salvation and establishment in the faith and in this church and you will not feel the heat of the global famine that is presently ravaging most parts of the world today.
- Now here is a test that touches the heart of God the most that is, bring a soul out of darkness to light through the gospel which is worth much

more to God than all the wealth of this world put together — *Mat. 16:26*

- From scripture, we understand that soul winning is a capital proof of our love for God and as we all know, all things work together for good to them that love God — *Rom. 8:28/ Jhn. 21:15-17*
- As you are all aware, passion for souls have been my undying quest since I was 19. I later entered into a covenant to make seeking first the advancement of the kingdom my lifestyle and that happened in 1976 some 48 years ago
- Today, I have enjoyed all-round rest which is a core return on living to serve God and the interest of His kingdom as a priority as we saw in the case of God's people when they entered into a covenant to seek God with all their hearts, and they whole of their desire, and God gave them rest roundabout — *2Chro. 15:12-14*
- From scripture we understand that when we secure our place in the realm of rest, God takes over our battles as it is written 'the Lord shall fight for you as you hold your peace — *Exo. 14:14*
- This week, as every one of us goes out for undeniable results, bringing souls into the kingdom and nurturing them to the point of establishment in the church, everyone's balance of the fortune package ordained for this season shall be fully delivered.
- This week of sacrifice for souls shall be for every one of us a week of supernatural turnaround, both those engaging on the altar of prayers targeting specific souls for salvation and those on the go with passion after the lost. As the Lord lives, every one of us shall sing a new song in return, in the name of Jesus Christ.
- Therefore, in the name of Jesus, I welcome you to a week of signs and wonders in healings, deliverances, and diverse breakthroughs, through this one week of sacrifice of souls beginning from Monday, September 16 – Sunday, September 22, 2024

Jesus is Lord!
